*Orange Blue*, video-installation, 2008

L' idee d' un travail toujours en progression,

Mouvement ephemere, telle une danse.

Comme point de depart, une matiere difficilement saisissable

Qui s' etend et qui s' etale.

Je dois chercher a present a sentir comment habiter l' exposition,

Chiyofuku, deuxieme mouvement

The idea of a progressive work

Ephemeral movement, like a dance.

As a starting point some unseizable material,

Spreading, expanding itself.

I need to feel now how to live the exhibition

Chiyofuku, second movement

2008, dec. : " Chiyofuku, deuxieme mouvement – habiter l' exposition ? " \*

2008, june : 1rst work at L' Ecole des Beaux-Arts de Bordeaux

- \* " Bordeaux, first movement – seizing the unseizable ? "
- \* " Chiyofuku, second movement – exhibition inhabitance ? "
